The attached is a "Supplementary Index" to places in the Gazetteer of the State of New York, by J. H. French (Syracuse, 1860). This "Supplementary Index" is a key to place names in the text and also in the footnotes that were not included in the original index to the Gazetteer.

This useful tool was prepared in the Monroe County History Office: Lee McCanne, County Historian; Mrs. Margaret McNab, Assistant County Historian; and Mrs. Katherine W. Thompson, Senior Historical Researcher.
